Just remember everything I tell you.  
Sorry for the pain and I have caused you.  
You know it's true, I want to stay.  
I know you tried to make it what it should have been.  
You were there to help me when I couldn't have been.  
I don't know what ever came over me.

Gimme that one more chance.  
Remember all that we've planned.  
Gimme that one more chance for me.

Gimme that one more chance.  
Remember all that we've planned.  
Gimme that one more chance for me.

I just want to do half of what you do.  
And I know it seems so strange of me to say this.  
If there is a hundred ways to say it, all in one it means  
don't go away.  
Everybody's goin' around tellin' you lies.  
They don't know how hard I've tried.  
You know it takes the pressure for me to see.

Gimme that one more chance.  
Remember all that we've planned.  
Gimme one more chance for me.

Gimme that one more chance.  
Remember all that we've planned.  
Gimme that one more chance for me.

If you could read my mind how wonderful it would be.  
Love is hard to find, and what it means to me is so  
divine.

Gimme that one more chance  
Remember all that we've planned.  
Gimme that one more chance for me.

Gimme that one more chance.  
Remember all that we've planned.

Gimme that one more chance for me.

Gimme that one more chance.  
I want to prove it  
Remember all that we've planned  
I know we can do this  
Gimme that one more chance for me.

Gimme that one more chance.  
Love's my playground  
I realise I let you down  
Gimme one more chance for me.

Say you love me.  
Say you love me.  
I want you to say it, say it,  
Do you love me?  
Do you love me?  
I love you.  
Please tell me you love me

One More Chance (Another Version)

Everybody loves the star  
When hes on the top  
But noone ever comes around  
When he starts to drop

But you were someone special  
You stuck through thick and thin  
But I was much too busy  
Trying to shine  
To let your love shine in

Let you slip away  
I must have been insane  
Stop in the name of love  
Dont make me live my life in vain

(chorus)

Give me one more chance  
Thats all I ask of you  
Just one more chance  
Ill make it up to you  
Just one more chance  
Thats all I ask of you  
Ill build you a world for two  
Ill make it up to you

Now since Im all alone

Im talking to myself  
I know youre out there somewhere  
Having fun with someone else

But a distant voice of hope  
Echo from within, sayin  
(dont give up)  
(your ship is comin in)

Though my ships alone  
Ill play right to the end  
Im crying outside  
Heavens door  
Wont you let me back in

Youll never know  
What Ive been through  
Let your love shine in again  
This time Ill shine with you
