true love can be beautiful

searching  
been looking everywhere  
soon i'll find you, girl  
i know i'm getting closer now  
can't wait to hold you, girl

the day i find you, girl, you'll love me

hey, girl  
when you're in my arms you'll want to keep for me  
i'm sure  
'cause my love's that strong you'll be too weak to leave  
me

the day i find you, girl, you'll love me

each day i try harder  
with faith and confidence  
i know i'll get you

true love can be beautiful but it takes time  
true love can be beautiful but it takes time

so close  
i can still feel your heartbeat but you're not here  
but my searching is all over now that you're growing  
near

today i finally found you, girl, and you love me

you're here in my arms  
where you'll stay today  
always...  
always...

true love can be beautiful but it takes time  
true love can be beautiful but it takes time

today i found you, girl

you love me

true love can be beautiful but it takes time  
true love can be beautiful but it takes time
