Well, just - a look at that girl with the lights comin' up in
her eyes.
She's got to be somebody's baby.
She must be somebody's baby.
All the guys on the corner stand back and let her walk
on by.
She's got to be somebody's baby.
She must be somebody's baby.
She's got to be somebody's baby.
She's so fine.
She's probably somebody's only light.
Gonna shine tonight.
Yeah, she's probably somebody's baby, all right.
I heard her talkin' with her friend when she thought
nobody else was around.
She said she's got to be somebody's baby; she must be
somebody's baby.
'Cause when the cars and the signs and the street
lights light up the town,
She's got to be somebody's baby;
She must be somebody's baby;
She's got to be somebody's baby.
She's so....
She's gonna be somebody's only light.
Gonna shine tonight.
Yeah, she's gonna be somebody's baby tonight.
I try to shut eyes, but I can't get here outta my sight.
I know I'm gonna know her, but I gotta get over my
fright.
We'll, I'm just gonna walk up to her.
I'm gonna talk to her tonight.
Yeah, she's gonna be somebody's only light.
Gonna shine tonight.
Yeah, she's gonna be somebody's baby tonight.
Gonna shine tonight, make her mine tonight.
