

Q And Not U "Wet Work"

Something beautiful happened in the church house, but
it didn't have to do with God.

And something beautiful happened in the court house,
but it didn't have to deal with the law.

Something beautiful happened in the theatee but it
didn't have to do with the play.

And all this beautiful is smuggled like a secret and it
doesn't have to be that way.

'Cos something beautiful gets shot down everyday
No!

And nothing so obscene could ever dream to take its
place.

They keet us splashing in the wet work so they can cash
in on the net woth.

"Lets get connected while the text is corrected."
Love, it doesn't have to be that way.

hey man my brother, he got shot up in the greenhouse.
He was researching tHe cure.

And man my sister, she got locked up in the jailhouse
but she didn't even know what for.

hey man my cousin, he got strung up outside the
courthouse.

He was challenging the case.

something beautiful will always surround us but its just
to easy to erase.

and something beautiful gets shot down in every place.

And something beautiful happened at the border.

Oh!

And something beautiful happened on the corner.

Oh!

Now nothing beautiful is happening anyway.

They keep us splashing in the wet work so they can
cash in on the net woth.

"Soft opposition if you play your position."

Love, it doesn't have to be that way.

One thousand clouds so peaceful vanished in a din of

rhythms from a helicopter.
Turn me up, dont turn me in.

The sound was deafening it tore into the bedroom and
it didn't have to do with God.
We loved each other like a bomb loves a body and it
didn't have to do with the law.
I forgot the sheets, the heat, the gentle weaponry.
I won't forget the look on your face.
The loudest bomb is quieter than an eyelash against
the fabric of your pillowcase.
