Got a big crowd down on Broadway and there getting  
loud tonight

And here I stand in the middle of the spot light  
Play a few of my old songs, couple of them ol sing  
alongs

Make sure it's something they like

And weather they'll member me tomorrow

Is really out of my hands  
With the help of ol jim beam and a few other things  
Tonight there my biggest fans

Chorus

And they don't know the right way  
So they don't care if I get em wrong

And they just wanna hear drinking and cheating  
And lovin and a leaving songs

And they know I'm no big star  
Cause tonight I aint got no band  
With the help of ol jim beam lord tonight here my  
biggest fans

Verse 2

Heres to the whiskey that keeps the pretty girls dancing  
And keeps this ol cowboy in town  
Keeps the barmaids busy and the young boys dizzy  
And I just laugh when they order up another round

And weather thell member me tomorrow still remains a  
mystery  
But tonight when they run out of money  
I'll kick the tip jar out in the crowd and they can drink on  
me

## Chorus
