As the fish swim the sea, like the wind blowing, all  
The words come naturally to me

That describes just how much I do love you lady.

Like the birds in the air fly without a care nothing  
Else compares to you.

Like a king treats his queen, there's nothing I would  
Not do for you.

Pre-hook

I'll travel the whole wide world twice in a day.

For you nothing's impossible, I'll go to let the whole  
World know

Our love is purely natural.

Hook

Out love will last beyond the end of time.

Two have to grow a love as strong as yours and mine.

Love has to start as friends for it grow

And friendship's the main ingredient for love natural.

Verse 2

As time never stands still my heart never will stop  
Beating for you my dear.

All the love you'll ever need is stored inside of me.

And as the grass and flowers grow to let the world  
know  
That God is still in full control

Only death can separate out heavenly unity.
