(By Jackie Jackson and Randy Jackson) Lonely, in my darkened room Sad and weary, persevering for love Sad and weary, persevering And I hope that she is thinkin' to come back to me Is it possible she's thinkin' of me at all? Have I gone ti far? If only, I had shown her love She'd be with me, deep inside me, my love She'd be with me, deep inside me And I hope that she is thinkin' to come back to me And I pray that faith can bear This suffering inside, 'til she arrives And I hope that she is thinkin' to come back to me And I'm scared there's someone sleepin' by her side I can't hide, all the pain deep inside, is this love Time waits for no one Time waits for no one Time waits for no one
