ALL AROUND THE WORLD - Paul Weller  
Oi!  
All over the country  
(We want a new direction)  
I said all over this land  
(We need a reaction)  
Well there should be a youth explosion  
(Inflate creation)  
But something we can command  
What's the point in saying destroy  
I want a new life for everywhere  
We want a direction  
(All over the country)  
I want a direction  
(All over this land)  
Because this is your last chance  
You can't dismiss what is gone before  
But there's foundations for us to explore  
I said -  
All around the world I've been looking for new -  
Youth explosion!  
A new direction -  
We want a reaction -  
Inflate creation -  
Looking for new!
