Boy About Town

See me walking around I'm the boy about town that you  
heard of

See me walking the streets I'm on top of the world that  
you heard of

Oh, like paper caught in wind  
I glide upstreet, I glide downstreet  
Oh, and it won't let you go  
Till you finally come to rest or someone picks you up  
Upstreet, downstreet, and puts you in the bin

See me walking around I'm the boy about town that you  
heard of

See me walking the streets I'm on top of the world that  
you heard of

Na na na nah, na na na nah  
Na na na na na na nah

Na na na nah, na na na nah  
There's more than you can hope for in this world

Oh, I'm sitting watching rainbows  
And sitting there watching the people go crazy  
Oh, please leave me aside  
I want to do what I want to do  
And I want to live how I want to live  
And upstreet, downstreet--like paper caught in wind  
Upstreet, downstreet--it won't let you go

See me walking around I'm the boy about town that you  
heard of

See me walking around I'm the boy about town that you  
heard of

The boy about town that you heard of  
Around town that you heard of
