Whenever I'm with you  
Something inside starts burning  
And my hearts filled with fire  
Stop this - it's got a hold on me  
I said this ain't the way it's supposed to be

It's called a heatwave burning in my heart  
I can't keep from crying  
Tearing me apart

Whenever she calls my name  
Sounds so soft sweet and plain  
Right then, right there  
I feel this burning pain  
This high blood pressure's got a hold on me  
I said this ain't the way love's supposed to be

Whenever I'm with you  
Something inside starts burning  
And my hearts filled with fire

Something's got me amazed  
Don't know what to do  
My head's in a haze
