Sup up your beer and collect your fags  
There's a row going on down near Slough  
Get out your mat and pray to the West  
I'll get out mine and pray for myself.

Thought you were smart when you took them on  
But you didn't take a peep in their artillery room  
All that rugby puts hairs on your chest  
What chance have you got against a tie and a crest ?

Come out and play, what a nice day, for the Eton Riot  
force, Eton Riot force  
Come out and play, I hope rain stops play, with the Eton  
Riot force, Eton Riot force

Thought you were clever when you lit the fuse  
Tore down the House of Commons in your brand new  
shoes  
Composed a revolutionary symphony  
Then went to bed with a charming young thing.

Come out and play, cheers then mate, its the Eton Riot  
force, Eton Riot force  
Come out and play, an extremist scrape, with the Eton  
Riot force, Eton Riot force

What a catalyst you turned out to be  
Loaded the guns then you run off home for your tea  
Left me standing, like a guilty schoolboy.

What a catalyst you turned out to be  
Loaded the guns then you run off home for your tea  
Left me standing, like a naughty schoolboy.

We came out of it naturally the worst  
Beaten and bloody and I was sick down my shirt  
We were no match for their untamed wit  
Though some of the lads said they'd be back next  
week.

Come out and play, there's a price to pay, to the Eton

Riot force, Eton Riot force  
Come out and play, I'd prefer the plague, to the Eton  
Riot force, Eton Riot force

Come out and play, there's a price to pay, to the Eton  
Riot force, Eton Riot force  
COME out and play, I'd prefer the plague, to the Eton  
Riot force, Eton Riot force  
Eton Rifles, Eton riot force  
Eton Rifles, Eton Riot force
