We can do it all baby
oh, up in the club with my swagga on (top five?)
who lights up the room, i know cause im so fly
seein that pretty thing with the heels on
matchin with my swagga i had to get, get my thing on

judgin by the look in her eyes she was ready
with my world right, when it used to be steady
oh damn girl you're the best
forget bout all the rest, damn im impressed, so lets
kick it to the left, to the left
VIP status, whisper to me boy i gotta have it
i know so many things on my mind
cuz your so damn fine, i wanna reach out and grab it

get in my car, i'll take you somewhere far from this club
and all the things that you was thinkin of
we can do it all, we can do it all
we can do it all, we can do it all

get in my car, i'll take you somewhere far from this club
and all the things that you was thinkin of
we can do it all, we can do it all
we can do it all, we can do it all

yeah shorty was a ten, i had to get it in
but first, i had to see what its like
and what its worth, and whats it like
and what its worth
i'm lovin how you back it up
makin everybody look at us
and i think you got me risin up [lol]
its almost time to get up, out this club

and shes coming with me
her body language says she's getting freaky, freaky,
freaky
and when i get you home, imma put my CD on
imma get that body right
and give it to you like, you got the VIP status
whisper to me, boy i gotta have it
i know so many things on my mind

cuz your so damn fine, i wanna reach out and grab it

get in my car, i'll take you somewhere far from this club
and all the things that you was thinkin of
we can do it all, we can do it all
we can do it all, we can do it all

get in my car, i'll take you somewhere far from this club
and all the things that you was thinkin of
we can do it all, we can do it all
we can do it all, we can do it all

we can do it all.
