It's so easy to say, I'm sorry
when the harm has already been done,
but what about my nights spent cryin,
I still remember everyone.

It's so easy to say, I love you,
It just trips, off the tongue, somehow.
But what about your endless lyin,
for all I know your lyin now.

Well it's easy to prove,
with a heart thats true.
But so hard to let go,
don't you think I know.

Mmm It's so easy to say, forgive me,
But the words of forgiveness wont come,
now dont you know how hard i'm tryin,
Its so much easier, said than done.

Now don't you know how hard I'm tryin,
It's so much easier said than done.

But so hard to let go,
don't you think I know.

It's so easy to say forgive me,
But the words of forgiveness won't come.
Now don't you think that Ive been tryin,
It's so much easier said than done

Mmm Mmm Mmm Mmm..
Na na na na na Mmm...
woo na na na....
whoaaa oooo.
