

## Q-Tip

### "Come close"

Visit "[Come close](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Fly Love, uh uh say what - repeat 6X

[Verse 1: Common]

I don't stress it baby, they say you got me dressin'  
crazy  
Eatin' veggies, wearin' shirts extra medium  
And if we break up, I'm a eat meat again?  
I feel complete with you  
Shit I held upside in the streets for you  
In the streets people ask about me and you  
I tell them "We go through what most people do"  
Lets, let go of fear love  
We can grow as long as my beard does  
You push me in the way you supposed to  
We ain't runnin' when we come close to you

Chorus: Erykah Badu [Pharrell Williams](Common)  
Come Close to me (Come Close baby, Come Close ma)  
[Baby]  
(Let me hold you love, come closer love)  
Know this world gets (It gets crazy baby, it gets  
girl)[But]  
What's it without you, you, you, you?

[Verse 2: Pharrell Williams]

Eh, I know you used to watch me  
Rock Gouche and Versace  
But now I'm back to my skater roots  
I still got friends in them gator booooots  
But what's up with them hater dudes  
Ma, hating is OK with you?  
Why? Cuz they drive in them fancy cars  
Look, well I can ride you on my handle bars  
On my BMX baby  
I'm created with Tourette's baby  
My testicle's full of ecstasy  
When I think about you make them plead

[Chorus]

[Bridge: Erykah Badu]

I know what you're thinking, you're on my mind  
You're right, you're right, you're right  
You promise so fast you just might take flight  
Hope your not tired, tonight, tonight

[Verse 3: Q-Tip]

I don't stress it girl  
They say that you and I are from different worlds  
You're from underneath the underground  
And I understood my Hip-Hop run to this position  
I don't stress it sweetie  
You write in cursive, I write in graffiti  
Opposites, not really we just customize  
For my turfs, hey I'm instructin' you to listen  
I'm sayin' it a rats ass I couldn't give  
Even though you're far away and my heart you live  
So bring your little sweet face closer to me  
And look into my eyes tell me what you see

[Chorus] - repeat 2X

[All Together]

Fly love, uh uh say what - repeat 25X
