Are you runnin' late?  
Did you show 'em love?  
Even if you didn't there will never be another  
Like you  
Did you write the hit?  
Did you hit the bong?  
Even if you did it wit your friend under covers  
It's you  
Maybe it was on a strong run  
Either way actin' like get it done  
For the lovin' it was all one  
Cuz girl you know it takes one to know one but  
Do, Do you, dig you?  
Do, Do you, dig you?  
Did you drink the drink?  
Talkin' up the sun?  
Fightin' off the dragon when it's lookin' in the mirror  
At you  
Workin' all day  
Playin' all night  
All I wanna do it just get a little hit up  
To you  
It's you  
Do you dig you?  
[Fade out]
