"Never Gonna Love Again"

Visit "[Never Gonna Love Again](#)" on MotoLyrics.com

Is there any reason
Is there any chance
Is there anybody
Isn't there a dance

Why do I feel so helpless?
What is there left for me?

[Chorus:]
I'm never gonna love again
I'm never gonna love again

Isn't there a proverb
Isn't there a rhyme
Everything is gone now
There's no reason why

Why do I feel so helpless?
What is there left for me?

[Chorus]

I can't hear the birds sing
I can't see the sky
Isn't there somebody
Someone who still cries

Why do I feel so helpless?
What is there left for me?

[Chorus]
