[Q-Tip]

Uh.. check it out now  
Uh.. no doubt now  
Uh.. yo, check it out now  
Uh.. no doubt yo

Special girl, real good girl  
Biggest thing in my itty bitty world  
Called her up and she made me feel right  
Wish for bliss could never take flight  
Sittin back with this mic in my hand  
Spittin hot shit tryin to see grand  
Imprinted on my mind every minute  
Make my plans and you always in it, yo  
Uhh, such a vivrant thing  
Vivrant thing, a vivrant thing  
And even though we both fly  
Give each other space and not the evil eye  
Actin like grownups  
Don't even try to hide cause the spot blown up  
Girlfriend tellin you she wanna see  
I say 'I dunno' but you say 'Gladly'  
And when we both do hit  
We go on and on and on and on and on and  
Sweeter than Ben & Jerry  
Can I rhyme? Well you know I gets mine  
Sittin round in my abstract car  
This abstract thing goin abstract far, yo  
Uhh, such a vivrant thing  
Vivrant thing, a vivrant thing  
Yo.. such a vivrant thing  
Vivrant thing, a vivrant thing  
Look at you, look at me {repeat 2X}  
Check it, yo - check it, huh  
Yo, check it - uhh, yo  
Yo.. such a vivrant thing  
Vivrant thing, a vivrant thing

Look at you, look at me {repeat 2X}  
Yo, check it, yo, check it  
Yo, check it, yo yo yo  
Yo.. such a vivrant thing

Vivrant uh, uhh-uhh, uh

[Q-Tip]

Gettin back to my MC status

All the Willie that I kick make the other niggaz mad it's  
movin, to your town and situation

Shorty thought she subtle but she really was blatant  
when she

shook her thing and violated

Now these wolf-like thoughts are formulated

I'm sayin, "Yo is this some heartfelt shit here?"

Am I strong-backed nigga? Well shit yeah

Plus we can hold a convo'

or go to the movies, my crib, whatever yo

Just wanna see you by my side"

We on 95, know the stash is in the ride

A rappin nigga for real

You would find me in a cypher if I didn't cop a deal

Rap slate like big weight

You buy, I sell, we split big cake

Uh uh, just move your little thing

Move it around and shake your little thing

Uh uhh

Yo.. such a vivrant thing

Vivrant thing, a vivrant thing

Uh, yo, you such a vivrant thing

Vivrant thing, a vivrant thing yo

Uh, such a vivrant thing

Vivrant thing a vivrant thing uh

Vivrant thing a vivrant thing uh

Vivrant thing ah out yo uh uh

Yo..
