Blind - 9Lies

V1.

I dont care which brand of clothes you wear
I didnt see the flowers in you hair
I've seen the light that shines behind your eyes
I've seen the flame to light my selfish skys.

(Scream)

I stand here broken.....torn in 2
I stand here broken.....alone with you

Chorus.

But im blind and i just cant see that im blind, its always
you not me and im blind and i feel.....

V2.

Lookinh for the falling stars
taht shoot across the sky
looking for the toxic waste
to get me high

Chorus.

But im blind and i just cant see that im blind, its always
you not me and im blind and i feel.....

V3.

Looking for answers now
in a beer filled empty glass
I dont know what I mean anymore
and I dont really want to ask.

Chorus.

Am I blind and i just cant see that im blind, its always
you not me and im blind and i feel..... wawwwwo

Bridge.

This could never be 1 and 3
I could cry
I dont know why
these feelings that I feel are wrong

you know whats wrong
theres no way out

So im looking for the exit light
a come shine on me.
and Im asking questions
when i find that theres no need

ah Believe im me, beliving you
I'll never tell you what to do
never wanting, never die
never looking back in time
Because im blind

Lyrics: Steve mann
