Take my hand I will lead you, no one to defeat you,
You gotta be mine
Let me know I don't need you, I hope you agree too
It's gonna be fine

I, I wanna know you, don't wanna control you, I gotta let
go
I, I need to feel you, I wanted to heal you, we gotta go
slow

Always the time of my life and it's you that I like, it's
you that I like
Always the time of my life and it's you that I like, it's
you that I like

Every day you amaze me, you're making me crazy,
You gotta be mine
Every time you move daze me and making me hazy
It's gotta be fine

I, I wanna know you, don't wanna control you, I gotta let
go
I, I need to feel you, I wanted to heal you, we gotta go
slow

Always the time of my life and it's you that I like, it's
you that I like
Always the time of my life and it's you that I like, it's
you that I like

Always the time of my life and it's you that I like, it's
you that I like
Always the time of my life and it's you that I like, it's
you that I like.
Ooh-oh-oh and it's you that I like, it's you that I like.
Always the time of my life and it's you that I like, it's
you that I like.
