Gee it's great after staying out late
Walking my baby back home
Arm in arm, over meadow and farm
Walking my baby back home

We go on harmonizing a song
Or she's reciting a poem
Owls fly by and they give me the eye
Walking my baby back home

We stop for awhile
She gives me a smile
And cuddles her cheek to my chest
We start to pet and that's when I get
Her powder all over my vest

After I kind of straighten my tie
She has to borrow my comb
It's one kiss then we continue again
Walking my baby back home
