Things aren't always easy

Seems like you've been busy

Always knocking, no one answers

If you give up now, you'll lose this chance

Chorus:

Don't turn back you're almost there

Always know I'm everywhere

I'll be your shadow in your darkest times

I'll be your shadow, you can count on me

I'll be your shadow, always on your side

I'm your shadow

I'm your shadow

Walk the path that no one knows

Trust you know where to go

You can do all that you dream of

Give yourself what you came here for

Chorus:

Don't turn back you're almost there

Always know I'm everywhere

I'll be your shadow in your darkest times

I'll be your shadow, you can count on me

I'll be your shadow, always on your side

I'm your shadow

I'm your shadow

Don't turn back you're almost there

Always know I'm everywhere

I'm your shadow

I'm your shadow

I'm your shadow

I'm your shadow
