Daddy's baby what's got you thinking
What's got you sinking so low
It there something I should know
Something new to you

Daddy's baby fussing and fretting
Keeping on getting it wrong
She can only last so long
(I think there's a line missing right here.)
So sing her a lullabye-bye
Baby don't like to cry
So sing her a lullabye-bye
Swaddle and swing her
Sing her a lullabye

She makes her feelings known to me
Her every side is shown to me
And in our time alone
Our love has surely grown of its own
Solid as a stepping stone
Silently as the dawn was breaking
Soft and clear
And my tears were dry
And my fears had flown
So I called my love my home
