She's been taking calls she's been avoiding
Smiling back at some of them boys
When she's out on the town with her girlfriends

She's been down at the mall buying her new shoes
Paintin' her nails red, loosin' those old blues
Look at who's on the loose, she's single again

And it's been,
One, two, three nights in a row
Not givin' a damn when she gets home
Ain't felt this free in god knows when

She's got no limits, no fears, no strings
She's uptown and down for anything
She's ready to mingle
She's single again

(Look out boys)

She ain't lookin' for anything serious
She's finally free and kinda curious to see what kinda
good times she can get

Well her ex boyfriend called her last night
A little jealous 'cause he heard she's all right
Well that serves him right because thanks to him, she's
single again

And it's,
One, two, three nights in a row
Not givin' a damn when she gets home
Ain't felt this free in god knows when

She got no limits, no fears, no strings
She's uptown and down for anything
She's ready to mingle
She's single again

She'd love to fall in love
And call someone her own

But she's on the run and havin' her fun
'Til the right one comes along

And it's been,
One, two, three nights in a row
Not givin' a damn when she gets home
Ain't felt this free in god knows when

She got,
No limits, no fears, no strings
She's uptown and down for anything
She's ready to mingle
She's single again

She's single again
Look who's on the loose
She's single again
