(lead vocal - chris rainbow)

Watching waiting rising falling
Listening calling drifting
Touching feeling seeing believing
Hoping sending leaving
I couldn't say why you and i are gemini
If i tried to write a million words a day
I see your shadow coming closer
Then watch you drifting away

Watching waiting rising falling
Listening calling drifting
Touching feeling seeing believing
Hoping sending leaving
I couldn't say why you and i are gemini
We are travelling a million worlds away
I see your shadow coming closer
Then watch you drifting away
