(lead vocal - elmer gantry)

Tell you 'bout a dream that i have every night  
Tell you 'bout a dream that i have every night  
It ain't kodachrome and it isn't black and white  
Take me for a fool if you feel that's right  
Well i'm never on my own but there's nobody in sight

I don't know if i'm scared of the lightning  
Trying to reach me  
I can't turn to the left or the right  
I'm too scared to run and i'm too weak to fight  
But i don't care it's all psychobabble rap to me

Tell you 'bout a dream that i have every night  
It's in dolby stereo but i never hear it right  
Take me for a fool well that's alright  
Well i see the way to go but there isn't any light

I don't know why i'm scared of the lightning  
Trying to reach me  
Help me to find what i don't wanna know  
You're taking me there but i don't wanna go  
I don't care it's all psychobabble rap to me  
Psychobabble all psychobabble  
Psychobabble all psychobabble  
I don't care it's all psychobabble rap to me

You're readin' my mind you won't look in my eyes  
You say i do things that i don't realise  
But i don't care it's all psychobabble rap to me  
Psychobabble all psychobabble  
Psychobabble all psychobabble  
You're lighting a scene that's faded to black  
I threw it away cause i don't want it back  
But i don't care it's all psychbabble rap
