(lead vocal - geoff barradale)

I know the truth  
But i can't say  
And i have to turn my head  
And look the other way

I'm not afraid  
And i won't lie  
As long as i see no wrong  
I won't need to testify

I see the world  
And i'm looking from a high place  
Way above it all  
Standing on higher ground

I breathe the air  
While they're running in a rat race  
Way above it all  
Standing on higher ground

I feel the blow  
But i don't speak  
And i have to close my eyes  
Pretending i'm asleep

Well i see the tears  
But i don't cry  
As long as i do no wrong  
I don't need an alibi

I see the world  
And i'm looking from a high place  
Way above it all  
Standing on higher ground

I breathe the air  
While they're running in a rat race  
Way above it all  
Standing on higher ground
