Quarashi - Stun Gun

Verse1

Aye yo this shit doesn't come easy but hey don't
misjudge me
Whatever might displease you, still couldn't touch me
I don't care what I write is what I'm gonna bust
Fights on round one, if you fuck with anyone of us
What! please, you better run till your knees concede
Shit hits the fan next time you see me
And I don't stall about what's up with ya'll now
Freeze on the spot when it's time to let it all out
And I don't know I just don't know
Why things always get little bit out of control
Why people get rowdy when I come into the place
Whoops, there goes my glass in your face

CHORUS

One time for my posse... POSSE
Two times for my homes... HOMES
We'll be chillin in the backseat... BACKSEAT
Where we bury the bone.... Bury the bone

Verse2

(dedicated to my x girlfriend)

Here's a birdie who plays dirty in this game
It's a shame that my X want's to act this way
What a hag man, what a bunch of crap to say
When I've been nothing but fair with you up till this day
But hey, you got what you wanted so choke on this shit
to
You got issues, why you think I broke up with you
Damn it, can't you see I don't need this crap
I can't believe this bitch, give me my cd's back
Infact how's that for a turn on
For your ugly ass and a face I wouldn't even shoot "?"
on
I'll tell you this much, you really got me pissed off
You flatchested bitch you really thought I went this soft
I tried to be nice, but if all you want is beef then
A word of advice so you can sink your teeth in
I can be your bearer of I'll rotten blues
When you disregard me this way, I bring bad news
CHORUS

Verse 3

My experience limited reputation discredited
The locals read it man, I have to live here please edit it
You can type that I'm quite nice if they buy it
I like my weekends private, real peaceful and quite
I don't condone violence read books for recreation
I interfere with politics and public relations
So put that in your peace and a lid on it please
Doesn't matter if you bend the truth a little bit see
Next time I'm in the studio I'll take my grudges out
And you can get the clean version sent to your house
This is my scene now, and I'm a crake for more
Till the world breaks, WHAT THE FUCK YOU TAKE ME
FOR
CHORUS
