

A Broken Frame

"Leave in Silence"

I've told myself so many times before
But this time I think I mean it for sure
We have reached a full stop
Nothing's gonna save us from the big drop
Reached our natural conclusion
Outlived the illusion
I hate being in these situations
That call for diplomatic relations
If I only knew the answer
Or I thought we had a chance
Or I could stop this
I would stop this thing from spreading like a cancer
What can I say? (I don't want to play) anymore
What can I say? I'm heading for the door
I can't stand this emotional violence
Leave in silence
We've been running around in circles all year
Doing this and that and getting nowhere
This'll be the last time
(I think I said that last time)
If I only had a potion,

Some magical lotion

That could stop this, I would stop this

I would set the wheels in motion

What can I say? (I don't want to play) anymore

What can I say? I'm heading for the door

I can't stand this emotional violence

Leave in silence.
