All I want to do is see you again

Is that too much to ask for?

I just want to see your sweet smile

Smiled the way it was before

Well I'll try not to hold you

And I'll try not to kiss you

And I won't even touch you

All I want to do is see you

Don't you know that it's true

I remember the days when we'd walk through the
woods

And sit on a bench for a while

I treasure the way we used to laugh and play

And look in each others eyes

You can keep me at a distance if you don't trust my
resistance

But I swear I won't touch you

All I want to do is see you

Don't you know that it's true

Well I know five years is a long time

And that times change (oh that times change)

But I think that you will find

People are basically the same (basically the same)

If the water's still flowing, we can go for a swim

And do the things we used to do

And if I'm reluctant you can pull me in

And we can relive our youth

Oh but we'll stay friendly like sister and brother

Though I think I still love you

All I want to do is see you

Don't you know that it's true?
