Someday I will dive me in. Someday I will take a spin.
Someday I will make it right. Someday I will stop the
fight.

It has been thought, it's been thought

I found a god that can teach. Take me along, once
again on
that trip. Bring it on and when I'm gone, bite your lip. Is
it to
good to be secure? Maybe I should, I think I should find
the
cure. It's been thought before.

I found a god that can teach. Someday you will dive in.
Someday you will dive in. It's been thought before. It's
been
thought before.
