"Fly To The Sky"

There's a sweet thing that cries when it dies. I
recognize. Will this be the last? Don't you try to stare
me down. Even the day has looked her away. The
queen of my dreams knows again, I am to bow before I
begin.

[Chorus]

Why oh why, why do I, try to fly to the sky. [x3]

Now the hour has past, much too fast. I think we should
leave it at that. Can't you see, it is there exploding,
exploding into air.

[Chorus x3]

(Ahh Yeah) [x2]

[Chorus x3]

Roll down with you. [x4]

Give it up yeah, give it up yeah, give it up yeah, give it
up. [x4]
