OPEE

I feel that funky feeling though my brain
Its Friday night im feeling
Trying to keep friends asleep but they are planning for
what's eating,
See grandma sleeping,
So grab the phone,
What's worse,
What's that rhyme in though the city [...]
Gotta party tonight, like give the last,
Only get tight have fun and get ass,
Have a blast ass drinking A bit,
Half the ladies shaking with,
Eyes turning, splitting with we get the point were
making with.
Make it clear it's a world still with problems,
Put the shit aside, you can solve all that tomorrow,
Far out Fallow
[.....]
So drop everything, stop everything, and doesn't
include parting or having sex so!
On the level of living, regrets is just a word, get ya ass
off this couch, lets party
LETS GO!

STONEY

[Chorus]

And we don't wanna live, all the way(That's how we are
now, That's how we are now)
We don't want it, any other way

Couples pass out smelling a bong is around me,
Rolling grass on the floor,
See some beg (?) on the wall,
This time we all piece and make more (What!)

when some drunk steps up and Takes it gossip and
