Until there was you we didn't know what to do
But I don't give a fuck about the things that I blew
Sucker MC don't you love me?
Wanna have me, wanna queue me, one two three

It's just a modest proposal from a boy anti-social
Scraping the skin of our culture, civilized vulture
Do me in, don't make me sin
I'm doing so good I can't go through it again

Yeah
Fuck in
He wants to fight, fuckin'

I bomb the mic like a fascist, Mussolini
Comin' through with no remorse, from the dark you
won't see me
Rise up from the sea like a Godzilla
Straight up through your mind with my armor plated
drilla

I don't give a fuck what you think about this shit, ain't
In it for the money never out to make a hit
If you can't take it like I said get a grip
'Cause I'm here to fucking stay like the warts on your
dick

Come on
I stick 'em up
Just stick 'em up
Stick 'em up
I stick 'em up
Just stick 'em up
Stick 'em up
Just stick 'em up
Come on, come on, come on, come on yeah

Stick 'em up
Stick 'em up
I stick 'em up
Just stick 'em up
Stick 'em up

I stick 'em up
Just stick 'em up
Stick 'em up
Just stick 'em up
Stick 'em, stick 'em

So won't you make a man out of me
I've gotta be, connected computerized son of a bitch
Makes me itch, sucker for life
I can't decide darkness or light or just a heavenly fright

Stick it, I'm tired I'm bored, I'm fuckin' bored
I'm trying so hard and I can't be adored
So the sound brakes through from one tone
Gives me no choice I can't be alone

I stick 'em up
Just stick 'em up
Stick 'em up
I stick 'em up
Just stick 'em up
Stick 'em up
Just stick 'em up
Come on, come on, come on, come on yeah

Stick 'em up
Stick 'em up
I stick 'em up
Just stick 'em up
Stick 'em up
I stick 'em up
Just stick 'em up
I stick 'em up
Just stick 'em up, yeah
Come on, come on, come on, come on yeah

Like Darth Vader I surprise you with my skills
I knock your ol' ass out like a bag of sleeping pills
I got to rip things up like my name was Jack the Ripper
There's a party at your house cause your mama is a
stripper

Slice through the scene like a knife through peanut
butter
Get your ass cleaned out motherfucker I didn't stutter
S W A R E Z! I got this whole thing right down to a T

Come on, yeah
I stick 'em up
Just stick 'em up
Stick 'em up

I stick 'em up
Just stick 'em up
Stick 'em up
Just stick 'em up
Come on, come on, come on, come on yeah

Stick 'em up
Stick 'em up
I stick 'em up
Stick 'em up
Just stick 'em up
I stick 'em up
Just stick 'em up
Stick 'em up
Just stick 'em up
Come on, come on, come on, come on yeah

Stick 'em up
Stick 'em up
I stick 'em up
Just stick 'em up
Stick 'em up
I stick 'em up
Just stick 'em up
Stick 'em up
Just stick 'em up
Stick 'em up, stick 'em up
