Hitchhiked back from Blue Earth
She's not alone anymore
Shootin' pool like before
That's too bad

Lost my bus fare back
She's not alone anymore
Hanging on like before
By a thread

In the springtime the birds begin singing
In the leaves on the trees are so sweet
Ooo Ooo Ooo Ooo
Can you see what I mean

If I moved a little closer
She's not alone anymore
Gettin' by like before
She bought a van

Deadlined in my right hand
She's not alone anymore
Getting stoned like before
What a drag

In the springtime the birds begin singing
In the leaves on the trees are so sweet
Ooo-Ooo Ooo-Ooo
Can you see what I mean

Hitchhiked back from Blue Earth
She's not alone anymore
Shootin' pool like before
That's too bad

In the springtime the birds begin singing
In the leaves on the trees are so sweet
Ooo-Ooo Ooo-Ooo
Can you see what I mean
