Rock me baby  
Rock me all night long  
I said rock me baby  
Rock me all night long  
I said rock me baby  
Rock me all night long  
I said roll me baby  
Like a wagon wheel  
Oh, roll me baby  
Like a wagon wheel  
I said roll me baby  
Just don't know how good you make me feel

I said rock me baby  
Rock me all night long  
I said rock me baby  
Rock me all night long  
I said rock me baby  
Rock me all night long  
Won't you roll me baby  
Like a wagon wheel  
I said roll me baby  
Like a wagon wheel  
I said roll me baby  
Just don't know how good you make me feel
