Down in the boondocks, down in the boondocks  
People put me down 'cause that's the side of town I was  
born in  
I love her, she loves me, but don't fit in her society  
Lord have mercy on the boy from down in the  
boondocks  
Lord have mercy on the boy from down in the  
boondocks.  
Ev'rynight I watch the lights from the house up on the  
hill  
I love a girl who lives up there and I guess I always will  
But I don't dare knock on her door 'cause her daddy is  
my boss man  
So I have to try to be content just to see her whenever I  
can.  
(Repest chorus)

One fine day I'll find a way to move from this old shack  
I'll hold my head  
up like a king And I'll never, never will look back Until  
that morning I'll work  
and slave And I'll save ev'ry dime But tonight she'll  
have to steal away To  
see me one more time. (Repeat chorus)
