Games People Play

Oh, the games people play now
Every night and every day now
Never meaning what they say now
Never saying what they mean
So they whine away the hours
In their ivory towers
Till they're covered up with flowers
In the back of a black limousine.

Chorus:

La da da da da
La da da da da dee
I'm talking 'bout you and me
And the games people play.

Oh, they make one another cry
Break their hearts and they say goodbye
Cross their hearts and they hope to die
That the other was to blame
Neither one would ever give in
So they gaze at an eight by ten
Thinkin' 'bout the ways it might have been
And it's a dirty rotten shame.

Chorus:

La da da da da
La da da da da dee
I'm talking 'bout you and me
And the games people play.

People walkin' up to you
Singin' glory hallelujah
And they try to send it to you
In the name of the Lord
Oh, they teach you how to meditate
Read your horoscope and teach you faith
And the further more the hell with hate
Come on and get on board.

Chorus:

La da da da da

La da da da da dee

I'm talking 'bout you and me

And the games people play.

Look around and tell me what you see

What's a happening to you and me

God grant me the serenity

To just remember who I am

'Cause you're givin' up your sanity

For your pride and your vanity

Turn your back on humanity

Whoa and you don't give a damn...
