(Tony Romeo)

Indian Lake is a scene you should make with your little  
one  
Keep it in mind if you're lookin' to find a place in the  
summer sun  
Swim in the cove have a snack in the grove or you can  
rent a canoe  
At Indian Lake you'll be able to make it like the Indians  
do.

You take a bus marked Lakewood Drive  
And you keep on ridin' till you're out of the city  
Where the air is fine with the sweet smellin' pine  
And the country side's pretty.

And you'll see daffodils peepin' over the hills  
Or a honey lovin' mama bear  
Just take a left at the bridge go down to Quaker town  
Ridge  
And in a minute you're there.

Indian Lake is a scene you should make with your little  
one  
Keep it in mind if you're lookin' to find a place in the  
summer sun  
Swim in the cove have a snack in the grove or you can  
rent a canoe  
At Indian Lake you'll be able to make it like the Indians  
do.
