Put a curse on you

I do you like a witch doctor
Triple hex put on your soul
Ain't no one gonna stop the torture
I put you through putting pins through your voodoo doll
Lace you with some fire rip off ya legs till ya have to
crawl
Fuckin' with the loss gates

I have ya burning in some hot water
Put that shit to 250 let it burn up hotter
Why, oh why, oh why, did you have to slip?
Fall in my dungeon while I was trying to fly
(Put a curse on you)

I make your whole life backwards 'cause I'm the illa
fiend
Ready to put ya head in the guillotine
Drilling clean all the way to the bone flesh up in 'em
(Cause all that all that mean done squeezed in 'em)
(Goes to heaven you go)
(Rum and coke and cocaine)
(And I tired pusher comes cutting your stuff with talcum
too)

Made the block gobble up ya future too
And ya hit come up in the jones on you
You go from one bag a day to two, three, four, all
because
(Put a curse on you)

Now you can't see no beauty in your women folk too
Plus you take da arm put them on the line too
Pimp get the behind, hit'cha get the mind
(Put a curse on you)
(May all your children end up junkies to)
(Your mind been tricked by the power to buy that
ounce)
(Your young daughters give rich old dudes head in
limousines too)
(Put a curse on you)

(Put a curse on you)
