### "How I Feel"

If only I could tell you how much I care, would you listen?  
If only I could tell you how much you mean to me, would you care?  
If only I could tell you how much I think of you, would you believe me?  
If only I could show you the way I feel, would you see?

I don't know why it's so hard for me to show you how I feel  
I don't know why I can't tell you how much I care  
I don't know why it's so hard for me to show you how I feel  
I don't know why I can't share the joy I...

If you would listen, could I tell you that I care?  
If you would care, could I show you how much you mean to me?  
If you'd believe, could I could I tell you how much I think of you?  
If you would see, could I show you the way I feel?

I don't know why it's so hard for me to show you how I feel  
I don't know why I can't tell you how much I care  
I don't know why it's so hard for me to show you how I feel  
I don't know why I can't share the joy I...

I've got to - got to show you how I feel  
I have to tell you how much I care  
I've got to - got to show you how I feel  
And I have to share the joy I have
