You tell me you love me  
You tell me you care  
But when I'm around you  
It's like I'm not there

I need a reminder  
Something you can see  
Something on my finger  
Shining so brightly

Don't you know  
Diamonds are a  
Girl's best friend  
When you go, they stay  
With me until the end

Don't you know  
Diamonds are a girl's  
Best, best friend  
When you go, they stay  
With me until the end

(CHORUS)  
Don't want your money  
Don't want your key  
Diamonds  
Love don't come for free

(CHORUS)  
You sent me some roses  
But roses do die  
You gave me some candy  
It melted, nice try

I'm not that demanding  
I have simple taste  
I just want a token  
That can't go to waste  
Diamonds

(CHORUS) 2X

Don't you know  
Diamonds are a  
Girl's best friend  
When you go, they stay  
With me until the end

Don't you know  
Diamonds are a girl's  
Best, best friend  
When you go, they stay  
With me until the end

(CHORUS) 2X
