Can the Can

(Chinn/Chapman)

Well you call your mama tiger

And we all know you are lying

And your boyfriend's name is eagle

And he lives up in the sky (High, high)

Watch out the tiger don't go claw the eagle's eye

But let the eagle take the tiger by surprise

(Scratch out her eyes)

Refrain:

So make a stand for your man, honey

Try to can the can

Put your man in the can, honey

Get him while you can

Can the can

Can the can

If you can

Well can the can

Well your sister's got the feline touch

She touches up your mind

And your eagle lover likes his little bit of evil

Loving all the time

Don't let the cat get into the eagle's nest at night

Because the eagle could say "yes" without a fight

(Scratch out her eyes)

Refrain:

So make a stand for your man, honey

Try to can the can

Put your man in the can, honey

Get him while you can

Can the can

Can the can

If you can

Well can the can

Ooh can the can

(Can the can honey)

Ooh can the can

(Can the can honey)

Uhh huh can the can

(Can the can honey)

Ooh can the can

(Can the can honey)

Can the can

(Can the can honey)

Ooh can the can

(Can the can honey)

Ah honey,

Honey

Honey

Honey, honey, honey

Make a stand for your man honey

Try to can the can

Put your man in the can honey

Get him while you can

Can the can

Can the can

If you can

Make a stand for your man honey

Try to can the can

Put your man in the can honey

Get him while you can

Can the can

Can the can

If you can
