With this sun rise begins my day
A day when I threw it all away

Wait
People whisper saying
He did Â– youÂ–ll do it Â– we - is us all

As I hear him call
He takes it in and gives his all
Dream to feel it inside
Become the man you must
The man you must

ItÂ–s the only road you see
A one way street

Is Â– this Â– all that is left Â– for Â– me
Why give my life
Why give my life
This ends here

Is this all youÂ–ve got Â– when the time Â– comes
Is this all youÂ–ve got Â– when I Â– when I Â– call
He did it Â– youÂ–ll do it Â– we Â– is the call

Can you feel it now
Deep within

Dream about it Â– I want you to feel it inside

Get ready for it
Get ready right now
Are you ready
Are you ready
Let go

ItÂ–s the only road you see
A one way street

I know this wonÂ–t last
Is this what I wanna remember

I know this won't last

What - was I thinking - you weren't thinking at all
We are the cowboys

Cowboy
