She's looking down the street
She's looking kind of sweet
She's so fine
She don't know it
She's coughing everyday
So keen in everyway
She's all mine
She can't help it

Big blue eyes, size ten
She fits so tight and she got ruby lips
Behold the child she is

It's so weird she's in love with me
Cause she don't like my attitude
Drinking shots and being rude
Playing football in the nude
Cause i find it a mystery
Why she could ever date a guy like me

She's looking really fine
No one can believe she's mine
On the pier washful meaning
She's talking girlie stuff
I try and go to brush
She just laughs
Like a devil
She's 5ft 9 those girls look so devine
And when she comes to stay
I always get my way

It's so weird she's in love with me
Cause she don't like my attitude
Drinking shots and being rude
Playing football in the nude
Cause i find it a mystery
Why she could ever date a guy like me

I like to dream all day about when i get rich
Playing on my guitar i want a platinum disk
I'd like to trash the rooms at all the posh hotels

I'd like to hang out late and try with other girls

It's so weird she's in love with me
Cause she don't like my attitude
Drinking shots and being rude
Playing football in the nude
Cause i find it a mystery
Why she could ever date a guy like me

She don't like my attitude
Drinking shots and being rude
Playing football in the nude
Cause i fine it a mystery
Why she could ever date a guy like me
