There is a finger missing on my right hand  
A butchers hand in a butterfly wingspan  
The sky hangs on a thread  
As I paint the white picket fence red  
Said am I alive?  
Or am I dead?

I caught a rainbow tear in her sunset smile  
I told a broken bird of my unborn child  
These blood stained walls in her head  
I found my girl bleeding in his bed

The angels cried in butterfly red  
The butcher and the butterfly  
Her wings are torn, my baby's dead  
The butcher and the butterfly  
Oh yeah

I put my girl in the butcher's hands  
She is my curse cried Fireman Sam  
And heaven down below inscribes her name  
My baby girl's lost in amongst these flames

The angels cried in butterfly red  
The butcher and the butterfly  
Her wings are torn, my baby's dead

Oh heaven help me  
What have I done?  
I kissed the daughter of my unborn son

:Katie mumbles for a bit:

Heaven down below inscribed her name  
But heaven, heaven rained down again

The angels cried in butterfly red  
The butcher and the butterfly  
Her wings are torn, my baby's dead  
The butcher and the butterfly  
The angels cried in butterfly red

The butcher and the butterfly  
Her wings are torn, my baby's dead  
The butcher and the butterfly  
The angels cried in butterfly red  
The butcher and the butterfly  
Her wings are torn, my baby's dead
