

Queen Adreena "Kissing My Disgrace"

Visit "[Kissing My Disgrace](#)" on MotoLyrics.com

Cut her into little pieces
Move her round the plate
Knife and Fork I'm all dream, you're all talk

I'm kissing my disgrace
Kissing my disgrace

Older fragments with no meaning
Cloaked her smiling face
Today I eat myself a breakfast

I'm kissing my disgrace
Kissing my disgrace
Cut her into little pieces
Move her round the plate
Knife and fork I'm all dream, you're all talk

I'm kissing my disgrace
Kissing my disgrace
Kissing my disgrace
Kissing my disgrace
