(Traditional:arr K.J.Garside / C.Gray)

Polly pretty Polly come go away with me,
Polly pretty Polly come go away with me,
Before we get married some pleasures to see.

Willy, Oh Willy I'm afraid of your ways
Willy, Oh Willy I'm afraid of your ways
I'm afraid that you're leadin' my body astray.

She jumped up beside him and away they did go,
She jumped up beside him and away they did go,
Over the mountains and the valleys below.

Willy oh Willy I'm afraid for my life,
Willy oh Willy I'm afraid for my life,
I'm afraid you mean to murder me and leave me
behind,

Polly pretty Polly you're guessing about right,
Polly pretty Polly you're guessing about right,
I've been digging your grave for the best part of last
night.
He stabbed her through the heart and her hot blood
did
flow,
He stabbed her through the heart and her hot blood
did
flow,
And into the grave pretty Polly did go.

He threw a little dirt over her and started for home,
He threw a little dirt over her and started for home,
Leaving nobody there but the wild birds to moan.

A debt to the devil Billy must pay,
A debt to the devil Billy must pay,
For killing pretty Polly and running away.
