### "Come Dance With Me"

I see your eyes across the floor  
I miss you deeply now  
Thinking on what we had before  
And not anymore

You ask me then if I'm alright  
It's just that I'm alone tonight  
And I want you  
Back into my life

Come dance with me once again  
And let it never end  
We're meant to be  
Forever as one

I swear I'll give it all to you  
Be everything you want me to  
Cause I want you  
Back into my life

(2x)  
Come dance with me once again

And let it never end  
We're meant to be  
Forever as one

Dance with me all night

You ask me then if I'm alright  
It's just that I'm alone tonight  
And I want you  
Back into my life

I swear I'll give it all to you  
Be everything you want me to  
Cause I want you  
Back into my life

(2x)  
Come dance with me once again

And let it never end  
We're meant to be  
Forever as one

Dance with me all night (2x)
