It's been lonely..
I am lonely
On the way
Come back to me

I dont blame you..
For not wanting
There is no shame,
To where we've been

And when I wake
All I can think
I dont know..
Where you lay
We say goodbye..
I'll never tell..

where I have been this whole time

I'll let you be,
I'm saying please..
Please come back!
Come back to me

We said goodbye
I can't forget
All the time we haven't had

And when I wake
All I can think..
I dont know..
Where you lay
We said goodbye..
I'll never tell..

where I have been this whole time

I'll let you be,

Now I'm saying please..

Please come back!

Come back to me

We said goodbye..

I cant forget..

All of the time.. we haven't had

Come back to me,

Come back to me,

Please come back...

Come back to me

We said goodbye,

I cant forget..

All of the time.. we haven't had
