I won't seek to argue,  
We're so far apart  
I don't need you.  
I walk home to think through,  
I start from the heart but it won't do.  
I can't lie,  
I need this,  
It keeps me afloat  
And I crave the affection.  
I'll leave you, believe me- I won't miss.  
I'm done with delusion,  
Keep them away keep on moving.  
You're swamped in confusion,  
It's simple enough you are losing.  
I can't lie,  
I'm broken,  
I need some more time til I find my direction.  
It's done now, it's over, it's spoken.  
  
You could have had it all,  
But you messed it up.
